Dear Judge Gleeson,

I am a journalist for BBC News in London.

I understand that you are presiding in the case against Adis Medunjanin commencing April 16<sup>th</sup> 2012.

I would like to request access to any witness names and/or statements that have or will be submitted in evidence to the court from individuals who are currently held in prison in the United Kingdom.

If this is not possible, until that evidence has been heard in open court, would you be so kind to grant me access to those papers via your very helpful court manager Ilene.

Yours sincerely,
